START
Our group notices that some people don't feel comfortable at gyms
We ask: What makes people uncomfortable at gyms?
We identify problems: Gyms can be expensive or intimidating for beginners
Our group develops the idea for Prudent Fitness, a welcoming and affordable gym
Does the community need this type of gym?
No
Yes
We ask people what they want in a gym.
We review their feedback and improve our idea.
We continue developing our business plan.
We choose the gym's services and membership options.
Can we afford the location, equipment, and staff?
Yes
We look for a cheaper location, more funding, or fewer services.
We prepare to open Prudent Fitness.
We open Prudent Fitness and welcome our members.
